01 · WHAT YOU GET

Everything a working creative needs

The same build as my own photography site, set up with your name, your work and your prices.

01
Galleries that load fast
One page per kind of work, every photo resized for phones automatically.

02
Booking page and prices
Your packages laid out clearly, with an enquiry form that lands in your inbox.

03
A blog you can add to
Shoots and stories, each with a proper preview when shared.

04
Visitor numbers, no cookie worries
The site counts its own visits without cookies and emails you each month.

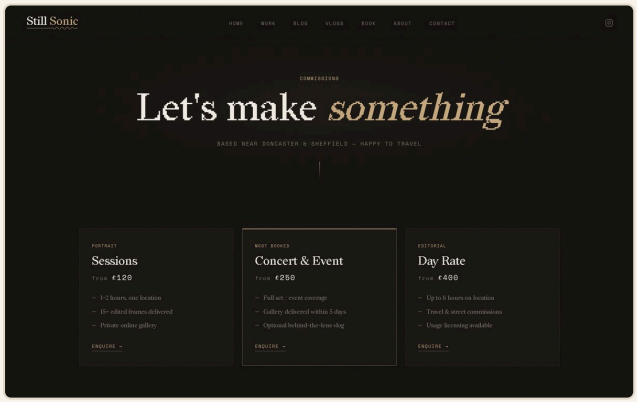

05
Private client galleries
Optional: each client gets a private link to view and download their photos.

06
Your domain, free hosting
yourname.co.uk on Cloudflare's free plan. No monthly hosting bill.

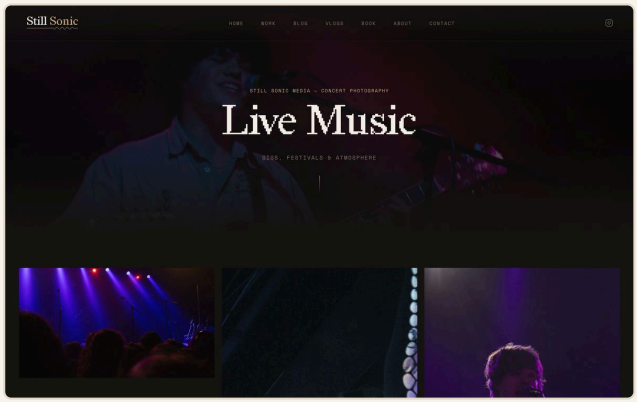

07
Found on Google
Titles, descriptions, a sitemap and share images set up properly.

08
Privacy and terms pages
Drafted for how your site works, and gone through with you before launch.

09
Yours to keep
Accounts in your name, and a plain-English handbook for making changes.

BOOKING PAGE

GALLERY PAGE

02 · THE PLAN

Six steps, and you sign off each one

1 A chat

What you shoot, who you want to reach, and the pages you need.

2 Your photos and words

Your best work and a few lines about you. Help with the writing if you want it.

3 I build it

A private preview to look at on your phone and laptop.

4 You review

Ask for changes. Nothing goes live until you say so.

5 Launch

Your domain and your accounts, switched on together.

6 Handover

A handbook, and a walkthrough of adding photos and posts.

03 · PACKAGES

One-off build. No subscriptions.

Launch month: £100 to £300 off every package for anyone who gets in touch by 30 November 2026.

Running costs

Hosting is on Cloudflare's free plan. Your domain name is paid yearly to Cloudflare at cost.

Who owns it

You do. The GitHub and Cloudflare accounts are in your name, with me added as a helper you can remove.

How long

Usually 4 to 6 weeks, mostly depending on how quickly the photos and words come together.

Replies

I reply to every enquiry within 7 working days, with what I'd build and a price.

04 · YOUR BRIEF

Tell me about your work

Answer what you can; a few words is fine. Fill it in on paper or in a PDF app, then send it back.

Your name and business name

What do you shoot or make, and who are your clients?

Which package are you thinking of?
Starter · Studio · Studio + Clients · Not sure yet

Your galleries: what would each one be called?
e.g. Weddings, Portraits, Live music

Do you have a domain name? Which one, or which would you like?

Instagram, current site, and any sites you like the look of

Your packages and prices, if you have them

Is there a date you need it by?

Anything else

Send it to hello@stillsonicmedia.co.uk, or fill in the form at stillsonicmedia.co.uk/web
